Job Title: Civil Engineering Summer Student
Location: Fredericton, New Brunswick
Reports to: Chief Engineer
Hours: Minimum of 40 hours per week

Brun-Way is seeking a Civil Engineering Summer Student for our Fredericton location!

The successful candidate will be performing inspections and audits of the roadways, roadsides, drainage, guiderails, bridges, and traffic control services. He/she will also be involved in highway maintenance activities and rehabilitation work. The student should possess skills in Transportation Engineering and Road / Highway Construction skills. They may also be expected to help out in other general tasks where needed and directed by the Chief Engineer.

The students will participate in Safety Orientation Training. Brun-Way has a comprehensive Hazard Assessment in place and this will be reviewed with the student. Pre-job Hazard Assessments MUST be performed and every student will be trained prior to attempting job tasks.

The student must possess a valid driver's license and is expected to provide their own transportation to / from the office for work.

If you are interested in applying for a Summer position with Brun-Way, please submit your CV, Cover letter and most recent transcript via e-mail to the below listed address no later than Friday, February 14, 2020.
