Job Title: Highway Maintenance Laborer
Location: Meductic
Reports to: Robert McCormack, Area Manager

Brun-Way Highways Operations Inc., a division of SNC-Lavalin, is seeking individuals for full-time, temporary positions as Summer Highway Maintenance Laborers to be filled as soon as possible. This position will be located out of our Meductic office.

Brun-Way is responsible for 275 kilometres of the Trans-Canada Highway from the Quebec border to Longs Creek (west of Fredericton) and Route 95 between Woodstock and the Houlton Border until the year 2033.

Position Summary:

This position is responsible for operating a variety of equipment and performing manual labor required to maintain the highway and right-of-way assets to ensure conformance of the designated section of the highway with required OMR standards and contractual requirements.

Responsibilities:

- Operate and maintain a variety of highway maintenance equipment (possibly including loaders, tractors, small power equipment, and power tools) required to repair and maintain all highway roadway and corridor assets according to OMR standards and contractual requirements
- Perform general manual labour required to maintain and repair the highway and related corridor assets (including litter removal, traffic control, grass cutting, drainage facilities, signs and related damages, spring debris clean-up, etc)
- Perform equipment operations and manual labour duties related to preventive maintenance of highway assets (including bridge components, pavement running surfaces, and drainage facilities)
- Perform planned and emergency traffic control signing and services, and assist in accident response and site clean-up, in compliance with Provincial Traffic control regulations
- Prepare daily work records of activities and accomplishments, including equipment operating times and vehicle performance
- Assist in yard maintenance and general good house-keeping clean-up practices
- May be asked to work at different locations along the Facility (from Long's Creek to Quebec Border)

Qualifications:

- General knowledge of highway operations and working experience with various types of vehicles and equipment used in road maintenance activities is preferred
- Valid driver license
- Clean driving record
- Proven work performance related to attention to detail, timeliness and organization
- Attention to detail with a focus on accuracy, efficiency and compliance with defined standards
- Good personal documentation and problem solving
- Must be able to lift up to 50 lbs
- Demonstrate good working knowledge of workplace health and safety
- Ability to deal with the public in a calm, patient and professional manner.

Those interested in applying for this position are invited to send their résumé in confidence to:
