Job Title: Winter Maintenance Operator (Part-Time temporary)
Locations: Various
Reports to: Area Manager
Revision Date: November 2018

About Brun-Way

Brun-Way Highways Operations Inc. is seeking qualified individuals for the **temporary, part-time** positions of **Winter Maintenance Operator, to be filled immediately**. Brun-Way is responsible for 275 kilometres of the Trans-Canada Highway, from the Quebec border to Longs Creek (west of Fredericton) and Route 95 between Woodstock and the Houlton Border, until the year 2033.

The incumbent would be part-time and may be requested to work on an on-call basis as work will be determined mainly on snow and ice events.

Position Summary:

This position is responsible for operating a variety of equipment and performing manual labor as required, to maintain the highway and right-of-way assets to ensure conformance with contractual requirements.

Responsibilities:

- Operate highway vehicles, predominantly snow plow and materials spreader trucks in the winter season, for maintaining the travelled highway surfaces in safe condition according to contractual requirements
- Operate and maintain a variety of highway maintenance equipment (including loaders, tractors, small power equipment, and power tools) required to repair and maintain all highway roadway and corridor assets according to contractual requirements
- Perform general manual labour required to maintain and repair the highway and related corridor assets (including litter removal, traffic control, signs and related damages, spring debris clean-up)
- Prepare daily work records of activities and accomplishments, including equipment operating times and vehicle performance
- Assist in routine equipment maintenance and repairs
- Assist in yard maintenance and general good house-keeping clean-up practices
- Required to work scheduled rotating shifts during Winter Operations

Qualifications:

- General knowledge of highway operations and working experience with various types of vehicles and equipment used in road maintenance activities is preferred
- Valid driver license with Class 3 endorsement
- Clean drivers' abstract
- Minimum 2 years' previous job-related experience preferred

- Proven work performance related to timeliness and organization
- Attention to detail with a focus on accuracy, efficiency and compliance with defined standards
- Good personal documentation and problem solving
- Must be able to lift up to 80 lbs
- Demonstrate good working knowledge of workplace health and safety
- Team Player

Candidates interested in applying for this position are invited to send their resume in confidence to:
